

ROYAL WESTERN YACHT CLUB OF IRELAND. RWYCI.

FOUNDING MEMBERSHIP 1827 - 1837.

Members of the Royal Western Yacht Club of Ireland who were yacht owners were assigned Distinguishing Flags to facilitate their identification at sea. Where a member owned more than one yacht he was assigned a Distinguishing Flag for each yacht. Where there was a shared ownership of a yacht each owner was assigned his own Distinguishing Flag. When yachts of the Royal Western Yacht Club of Ireland met at sea, they could engage in communications by way of Club Specific Flag Hoists which were specified in the Club Book of Flag Hoists, an original copy of which dated 1832 is in the ownership of the club. The current club is always seeking more information on the early members of the club and would welcome such information should anyone have same. Please contact us through our website.
